F- Hospital Director – Al Elwyia teaching hospital August 2005-Nov. 2012

G- Scientific director assistant at Al-Alwyia pediatric hospital on 2019-2023

H- Consultatory part time post in child right committee (Iraqi parliament).

I- Head of research unite in al-alwyia pediatric hospital.

J- Head of training and development unite in al-alwyia pediatric hospital.

K- Head of neonatal screen clinic in al-alwyia pediatric hospital.

Associations

A- Iraqi Medical Association 1987-till now

B- Iraqi Pediatrician Association

C- Panarab Association of emergency and Trauma Medicine

D- Egyptian pediatric association

Membership committees at directorate and ministry level

A- Clinical pharmacology committee Diyala Health Office 2001-2002.

B- Breastfeeding committee at Diyala Health Office 2001-2002.

C- CME committee Diyala Health Office 2001-2002.

D- Editorial board member and editor for Rusafa medical Journal in 2004.

E- pediatric committees in ministry of health - kimadia

F- Notational immunization technical advisory group 2015-2018

G- Immunization campaigns committee.

H- Rare disease committee MOH 2017 till 2020

I- Pediatric consolatory committee MOH 2019

Conferences Member

- Scientific committee for Diyala medical conference 2002.
- Scientific committee for Al Risafa medical conference 2012 ,2018, 2019.

Certificates of participation or attendance training courses and conferences

- DTPS
- Certificate of 5th medical conference at Diyala Health Office and many conferences held at Baghdad alrisafa Diroctorate
- Hospital administration workshops
- Chines medicine training course
- Emergency vaccines work shop.
- Nephrology workshop
- Breastfeeding training courses
- Nutritional rehabilitation training course.
- Integrated Management of Child Illnesses (IMCI) trainer 2005 at Amman Jordan.
- Health economy workshops.

Different workshops held abroad including :
UAE,Turky,Eygept,UK(London,Bristol, and Glagso),Iran and India

Official deployments

Jordan: IMCI training course

Egypt: Jika training program on pediatrics, neonatology, and ICU

Egypt: Workshop on Acute respiratory illnesses

UK: training course on pediatrics, pediatric cardiology and change management.

Turky: health economics

India: workshop and visit to serum institute in Puny

Saudia Arabia: medical mission.

Computer skills

- Certificates of computer skills including Advanced Word certificate and PowerPoint certificate

Appreciation books

More than 75 appreciation books

Research work

- Publications listed in Europe PMC (19)
- ORCID: https://orcid.org/0000-0001-5245-6753
- 37 works reported.

Author Page for Tareef Fadhil Raham: SSRN: Approved Scholarly Papers : 4

- Semantic scholar: Publications11
- ResearchGate : (as it is in 9/2/2024) score: 64.9, papers: 54 , h-index : 6, Citations : 107
- Google scholar: h-index : 6, Citations : 119 10-index score 4
- Member of Discussions committees for many MA degree and PH degree theses and dissertations.

Publications

1. Type of feeding and Relation with admission to hospital published in Risafa medical Digest

2. Epidemiological determinants and oral and dental problems among thalassemic pateits at Diyala governorate accepted for publication 2002.

3. Prevalence of hepatitis C among patients with βthalasemia in Diyala-Iraq

   Tareef Fadhil Raham,Salwa S. Abdul Wahed, Hadeer N. Alhaddad

   Journal of Techniques 24 (4), 113-120

4. Concomitant anti hepatitis C positivity among family members of thalassemic patients published in Journal of the faculity of medicine Baghdads vl52no1,2010; p46-48

5. Prevalence of Hepatitis B & Human Immundifficiency Virus Among Thalassemic Patients in Diyla .Journal: Diyala Journal of Medicine ISSN: 97642219 Year: 2011 Volume: 1 Issue: 1 Pages: 62-6 8
   Publisher: Diyala University

6. Toxoplasmosis in the children who afflicted with congenital deformities and chronic diseases .Journal: Al-Qadisiah Medical Journal ISSN: 18170153 Year: 2015 Volume: 11 Issue: 19 Pages: 211-218
   Publisher: Al-Qadisiyah University

7. Case fatality of measles in al Elwyia pediatric hospital published in Risafa Medical Digest V2 No. 2 2009

8. Knowledge and practical performance gained by Iraqi residents after participation to a neonatal resuscitation program course

   MM Jabir, N Doglioni, T Fadhil, V Zanardo, D Trevisanuto

   Acta Paediatrica 98 (8), 1265-1268

9. Case Fatality Rate and Some Demographic Characteristics Among Children in Al- Elwyia Pediatric Teaching Hospital During Influnza Pandemic 2009 Diyala Journal of Medicine ISSN: 97642219 Year: 2013 Volume: 4 Issue: 1 Pages: 74-78

10. Bacterial Profile and Antimicrobial Susceptibility in Neonatal sepses, Al -Alwyia Pediatric Teaching Hospital in Baghdad .Journal: Al-Kindy College

Medical Journal| ISSN: 18109543 Year: 2017 Volume: 13 Issue: 2 Pages: 22-27 .Publisher: Baghdad University

11. Epidemiological Characteristics of Acute Symptomatic Hepatitis A in Al Alwyia

Pediatric Teaching Hospital During 2013 publication published in Alkindy medical journal

12. Neonatal resuscitation in developing countries The Journal of pediatrics 156(2):343-4;

13. Trends of Neonatal Mortality in context of Case Overload in Al - Alwyia Pediatric Teaching Hospital at Baghdad during 2005-2012

Al-Kindy College Medical Journal ISSN: 18109543 Year: 2016 Volume: 12 Issue: 2 Pages: 43-48 accepted for pediatric conference in UAE by Iraqi International association.
