28. A scientific study to facilitate the procedures of the scientific forum competition for Al-Mustansiriya University

developing skills

Participations in the College of Engineering / Al-Mustansiriya University:

1. More than ten researches published in international journals in the field of electromagnetism and antennas.
2. Participation in four research papers in international conferences.
3. Participation in many seminars, forums and scientific workshops within China and East Asian countries.
4. Chairman of the Preparatory Committee for the Scientific Symposium of the Department of Computer Engineering 11-27-2012.
5. Member of a ministerial delegation to review the reality of higher education in Iranian universities 12/26/2013.
6. Chairman of the Preparatory Committee for the Second Scientific Symposium of the Department of Computer Engineering 10-16-2014.
7. Member of the Preparatory Committee for the College Symposium (Sustainable Engineering, the Road to Reform) 02/14/2016.
8. Head of the preparatory committee to supervise the graduates workshop 3-9-2016.
9. Chairman of the committee to discuss the self-assessment report for the departments of the College of Engineering 8-2-2017.
10. Chairman in a committee to hold a conference (Sustainable Engineering...Strategies and Applications for Community Service) 9/25/2017.
11. Member of the Preparatory Committee for the College Symposium (Sustainable Engineering) 26-2-2017.
12. Member of the Colleges of Pharmacy Committee.

❖ Participations in the presidency of Al-Mustansiriya University:

1. Participation in the Scientific Forum at Salahaddin University - Erbil (2018).
2. Participation in giving a lecture in the workshop tagged (electronic correction), which was held on 5/15/2018.
3. Participation in giving a lecture in the workshop entitled (Government Communication and its Role in the Work of Educational Institutions), which was held on (29/5/2018).
4. Participation in giving lectures in the training course tagged (steps for writing scientific research for postgraduate students) that was held for the period (7-18/10/2018).
5. Participation in giving lectures in the training course tagged (Electronic Educational Administration), which was held for the period (24-28/3/2019).
6. Participation in a symposium in cooperation with the Ministerial Committee for Drug Control in the Ministry of Higher Education and Scientific Research (drugs are a latent danger that threatens the security of societies) 4-8-2019.

7. Participation in the National Committee for Biological Risk Management, the American Biological Threats Confrontation Program (BTRP), and Sandia Laboratories March 4-6, 2019.
8. Participation in the Ninth International Conference of the Iraqi Chemists Syndicate (for a sustainable Iraqi industry) 9-3-2019.
9. Participation in giving lectures in the training course tagged (supporting curricula with e-learning), which was held on (9-13/6/2019).

❖ **Participations in Ashur University College:**

1. Participation in the workshop tagged (Covid 19 latest developments) view held on December 29, 2020
2. Participation in a symposium tagged (the role of hypoxia in the formation of tooth enamel, clinical experimental animal and cell study) viewing held on 3/3/2021.
3. Participation in the tagged symposium (and the international rules for the classification of world universities) watch held on 4/3/2021
4. Participation in the lecture tagged (smoking) view held on 25/4/2021
5. Participation in a workshop tagged (deep concrete beams and methods of strengthening them) watch held on 4/5/2021
6. Participation in the tagged symposium (the tagged and its harms) watch held on 24/5/2021
7. Participation in the workshop tagged (earthquake-resistant buildings) watch, which was held on 25/5/2021
8. Participation in the workshop tagged (diagnostic imaging for stroke), which was held on 30/5/2021.
9. Participation in the symposium tagged (Business Re-engineering), which was held on 31/5/2021
10. Participation in a workshop tagged (formal metaphors and their symbolic significance in architecture), which was held on 1/6/2021.
11. Participation in the workshop tagged (formal metaphors and their symbolic significance in architecture), which was held on 1/6/2021
12. Participation in the workshop tagged (translation of idioms), which was held on 8/6/2021.
13. Participation in the workshop tagged (augmented reality technology and its most important applications), which was held on 14/6/2021.
14. Participation in the workshop tagged (traditional drugs and digital drugs and the legal position on them), which was held on 7/7/2021
15. Participation in the training course tagged (e-learning) on October 17 and 19, 2021
16. Participation in the scientific workshop tagged (breast cancer awareness), which was held on 26/10/2021

17. Participation in the workshop organized by the Quality Assurance Division tagged (Iraqi Classification of Universities), which was held on 27/10/2021
18. Participation in the symposium tagged (the novelty in Covid 19), which was held on 9/11/2021
19. Participation in the scientific workshop tagged (good laboratory practices and classification of laboratories), which was held on November 29, 2021
20. Participation in the scientific workshop tagged (the five most famous problems facing working women and their solutions), which was held on 6/12/2021.
21. Participation in the scientific workshop tagged (the system of social relations in the educational institution and ways of its development), which was held on 7/12/2021
22. Participation in the scientific workshop tagged (modern digital transformation systems), which was held on 13/12/2021\
23. Participation in the scientific workshop tagged (The Right to Equality in the Iraqi Constitution of 2005), which was held on December 19, 2021
24. Participation in the scientific workshop tagged (classification of the quality of specialized laboratories), which was held on 21/12/2021.
25. Participation in the scientific workshop tagged (electronic performance evaluation mechanism), which was held on 24/12/2021.
26. Participation in the scientific workshop tagged (violence against women, results and solutions), which was held on 27/12/2021.
27. Participation in the scientific workshop tagged (the latest update of relation between some medical test and covid19), which was held on December 28, 2021
28. Participation in the scientific workshop tagged (on the most prevalent health problems in Iraqi society), which was held on 4/1/2022
29. Participation in the symposium tagged (Science of Spiritual Energy), which was held on 9/1/2022
30. Participation in the symposium tagged (total quality management in educational institutions), which was held on 12/1/2022
31. Participation in the scientific workshop tagged (Surat Al-Talaq and its impact on the treatment of marital problems), which was held on January 16, 2022
32. Participation in the scientific workshop tagged (provisions regulating the caretaker government in Iraq according to the 2005 constitution), which was held on January 17, 2022
33. Participation in the scientific workshop tagged (Women's Rights in the Iraqi Constitution of 2005), which was held on January 18, 2022
34. Participation in the scientific workshop tagged (5G technology and future application), which was held on 1/22022
35. Participation in the scientific workshop tagged (Moral Attention), which was held on February 8, 2022

36. Participation in the scientific workshop tagged (design and implementation of a medical device using artificial intelligence technology and neural networks to monitor Covid 19 patients through a secure communication system), which was held on February 28, 2022.
37. Participation in the scientific workshop tagged (designing and implementation of a medical device controlled IOT for COVID19 patients monitoring through secured communication system), which was held on 28-2-2022
38. Participation in the scientific workshop tagged (sterility and assisted reproductive technologies), which was held on 6/3/2022.
39. Participation in the scientific workshop tagged (the role of women in educational institutions), which was held on March 8, 2022.
40. Participation in the scientific workshop entitled (systematic literature review from scratch to publication), which was held on 9-3-2022
41. Participation in the electronic scientific workshop tagged (Russian military intervention in Ukraine in light of the provisions of international law), which was held on 22/3/2022
42. Participation in the scientific workshop tagged (hospital waste management), which was held on 23/3/2022
43. Participation in the scientific workshop tagged (medical herbs for the treatment of heart diseases), which was held on March 27, 2022
44. Participation in the scientific workshop tagged (high blood pressure and its effective treatments), which was held on March 27, 2022
45. Participation in the scientific workshop tagged (fuzzy hierarchical analysis), which was held on 28/3/2022
46. Participation in the scientific workshop tagged (depression and its relationship to Irritable Bowel Syndrome), which was held on March 29, 2022.
47. Participation in the scientific workshop tagged (increasing divorce cases in Iraqi society: causes and solutions), which was held on 30/3/2022
48. Participation in the scientific workshop tagged (intention with diabetes, causes and solutions), which was held on 4/3/2022
49. Participation in the scientific workshop tagged (depression and its relationship to Irritable Bowel Syndrome), which was held on March 29, 2022
50. Participation in the scientific workshop tagged (DNA amplification using PCR technology), which was held on 6/4/2022
51. Participation in the scientific workshop tagged (classifying medical images in the field of machine learning), which was held on 6/4/2022.
52. Participation in the scientific workshop tagged (Constitution of 2005 between contradiction and ambiguity), which was held on 9/4/2022
53. Participation in the scientific workshop tagged (the use and application of electronic medical sensors), which was held on 9/4/2022

54. Participation in the scientific workshop tagged (drugs and their effects), which was held on 9/4/2022
55. Participation in the scientific workshop tagged (Ethics of the Teaching Profession in Iraqi Colleges and Universities), which was held on 13/4/2022
56. Participation in the scientific workshop tagged (congenital malformations and genetic diseases in Iraqi children), which was held on 17/4/2022
57. Participation in the scientific workshop (Diabetes Disease and its Problems), which was held on 18/4/2022
58. Participation in the scientific workshop tagged (silent killer disease), which was held on 20-4-2022
59. Participation in the scientific workshop tagged (2D and 3D design with digital fabrication), which was held on 25-4-2022
60. Participation in the scientific workshop tagged (violence against women), which was held on 26/4/2022
61. Participation in the scientific workshop tagged (How to prepare the educational bag), which was held on 27/4/2022
62. Participation in the scientific workshop tagged (cracks in poolings), which was held on 5/5/2022
63. Participation in the scientific workshop tagged (marriage of minors and its effects on life), which was held on 11/5/2022
64. Participation in the scientific workshop tagged (bacteriophage: A Novel medical technology), which was held on 15/5/2022
65. Participation in the scientific workshop tagged (the crime of smuggling migrants in light of international criminal law), which was held on May 17, 2022
66. Participation in the scientific workshop tagged (basics of landfill technique for solid waste disposal), which was held on 21/5/2022
67. Participation in the scientific workshop tagged (types of disciplinary penalties imposed on the public servant in the public office and the competent authority to impose it), which was held on 28/5/2022
68. Participation in the scientific workshop tagged (the mechanism of action of drinking water treatment plants), which was held on 28/5/2022
69. Participation in the scientific workshop tagged (time management), which was held on 31/5/2022
70. Participation in the scientific workshop tagged (the Yazidis during the ISIS period, a crime of genocide or a crime against humanity), which was held on 1/6/2022
71. Participation in the scientific workshop tagged (models for academic accreditation in some countries and the most suitable model for Iraqi universities), which was held on 2/6/2022
