Curriculum vitae

Name	Fetan jaafar naji
Date of birth	04/03/1997
Place of birth	Baghdad, iraq
Status	Single
Nationality	Iraqi
E-mail	fetanjafaar@gmail.com
Telephone	Mobile: 07800119069

Education

1	Bachelor of science in mathematics – al-mustansiriya university (good)	12 april 2020
2	master of science in mathematics - al-mustansiriya university (very good)	1 november 2023.

Languages

1	Russian language
2	english language

training courses:

1	training courses in the field of computers (excel, access, spss, windows, matlabs).	Very good
2	english language courses.	Very good
3	Digital teaching course	Very good

Experience

1	Math teacher at al-bdour national school.	2020-2021
2	Ashur university. Teaching in the following college engineering/cybersecurity engineering: 1. Cybersecurity engineering (mathematics) 2. Artificial intelligence engineering (discrete mathematics) 3. Civil engineering (engineering statistics) 4. Security engineering (computer skills) 5. Human medicine (computer)	2023-2024

Published research:

1	Quaternary continuous classical boundary optimal control problem dominating by parabolic system.	College of science, university of baghdad
2	Quaternary boundary optimal control problem dominating by quaternary nonlinear parabolic system.	College of science, al-mustansiriya university
3	Solvability of the quaternary continuous classical boundary optimal control dominated by quaternary parabolic system	College of science for women, university of baghdad
